4.6: Managing a Project

The screenshot shows the Scholar Publisher Directory interface. At the top, there is a navigation bar with icons for Notifications, Messages, Library, and a user profile for William Cope. Below this is the Scholar logo and navigation tabs for Community, Creator, Publisher, Analytics, and Bookstore. A search bar is located on the right side of the top navigation bar.

The main content area is titled "EPS 431 SP16" and "Publisher Directory". It features a search bar for projects and a table of active projects. The table has columns for Name, Phase, Start, and Deadline. The first row is highlighted in yellow.

Name	Phase	Start	Deadline
Educational Theory	Past due	Mar 15, 2016	Apr 15, 2016
Case Study of an Educational Innovation	Not started		Apr 18, 2016
Work 2A: Learning Practice Case Study	Started	Apr 10, 2016	May 5, 2016
Work 2B: Learning Module Project	Started	Apr 10, 2016	May 5, 2016

Below the table, there is a "Show: 10" dropdown and a "1 to 4 (4) Prev Next" pagination control. A "Create a New Project" button is located at the bottom left of the main content area.

On the right side, there is a "Publishers" sidebar with a "New" button and a "More/Less" link. The sidebar contains a list of publishers, each with a right-pointing arrow icon.

4.6.3: On the Project Summary Page an admin can:

- View the project timeline.
- View a listing of members:
 - The member's name is a link to their personal profile page in Community.
 - The work title is a link to detailed project summary for that particular work (see Tutorial 4.6.4).
 - Status indicates where the work stands currently in the publication process (green = completed; orange = overdue; grey dot = unstarted or cancelled).
 - Last update and assigned feedback contributors are listed.
 - Icons allow the admin to view the work in Creator (magnifying glass), output the work as a web page or PDF (printer), and remove the work from the project.
- Invite a new member to start a project. After a project has started, if a new member joins the community and wants to be part of the project, the admin must add them here.
- View the project settings.

4.6.5: In the Contributors area of project summary page, admins can view the status of feedback, view feedback, remove feedback contributors, and invite new feedback contributors.

4.6.6: Admins can provide feedback to creators in one of two ways:

1. Via Dialogue (see Tutorial 4.6.4, also accessible at Creator => About This Work => Project => Dialogue).
2. By accessing the work in Creator via the View Work icon or the link in Work Details and writing a review structured by the rubric: Creator => Feedback => Reviews => Review Work.
